Registering with FirstService Connect

When visiting your community's landing page, navigate to the resident access section by selecting the Resident Access button.

For registration, we require a valid email address and a mobile phone number. If a mobile phone number is not available, a non-mobile phone number is allowed but will not be used for registration.

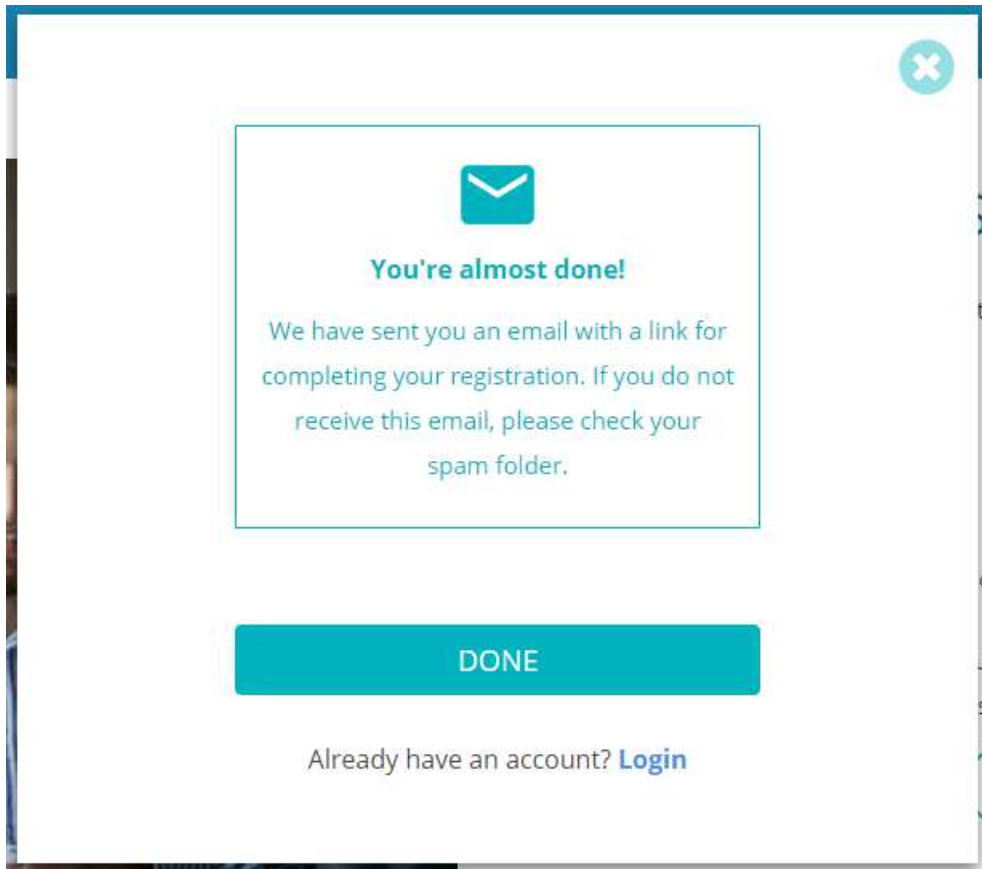

The screenshot shows a registration form with the following fields and elements:

- Register** (Title)
- EMAIL *** (Text input field)
- COUNTRY CODE *** (Dropdown menu with 'USA' selected)
- MOBILE NUMBER *** (Text input field)
- I'm not a robot (reCAPTCHA widget)
- * Required** (Text)
- REGISTER** (Submit button)
- Already have an account? [Login](#)

Once a user submits their registration information, there are a few scenarios that may occur.

YOUR EMAIL ADDRESS WAS FOUND

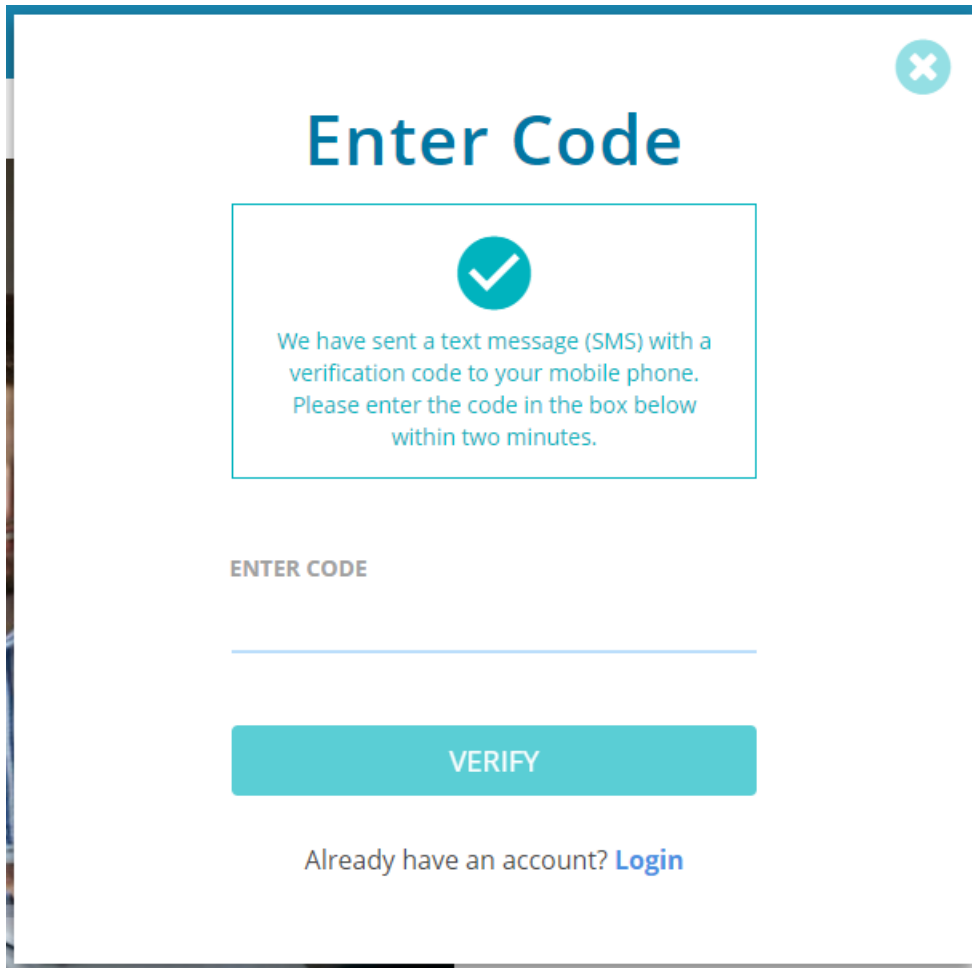

Your email address was found in our system. We will send you an email to the email address provided. In the email you will find a link to validate the email address. Once the email address is validated, you will be redirected to a registration form to complete your registration.

YOUR PHONE NUMBER WAS FOUND

We did not have your email in our systems but your phone number was found. We will send you a SMS text message with a code to your phone number. You will then be prompted to enter the code provided to validate your phone number. Once the phone number is validated, you will be redirected to a registration form to complete your registration.

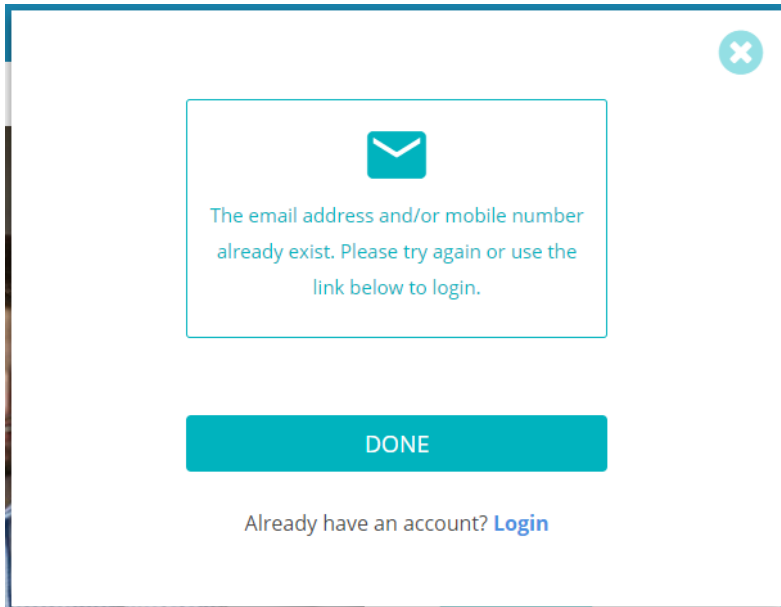

This code can include letters and numbers and is case sensitive.

The screenshot shows a mobile application interface for entering a verification code. At the top right, there is a close button (an 'X' in a circle). The main heading is 'Enter Code' in a large, bold, teal font. Below the heading is a teal checkmark icon inside a circle. Underneath the icon, the text reads: 'We have sent a text message (SMS) with a verification code to your mobile phone. Please enter the code in the box below within two minutes.' Below this text is a label 'ENTER CODE' in a smaller, teal font, followed by a horizontal line representing the input field. Below the input field is a large, teal button with the word 'VERIFY' in white, uppercase letters. At the bottom of the screen, there is a link that says 'Already have an account? Login'.

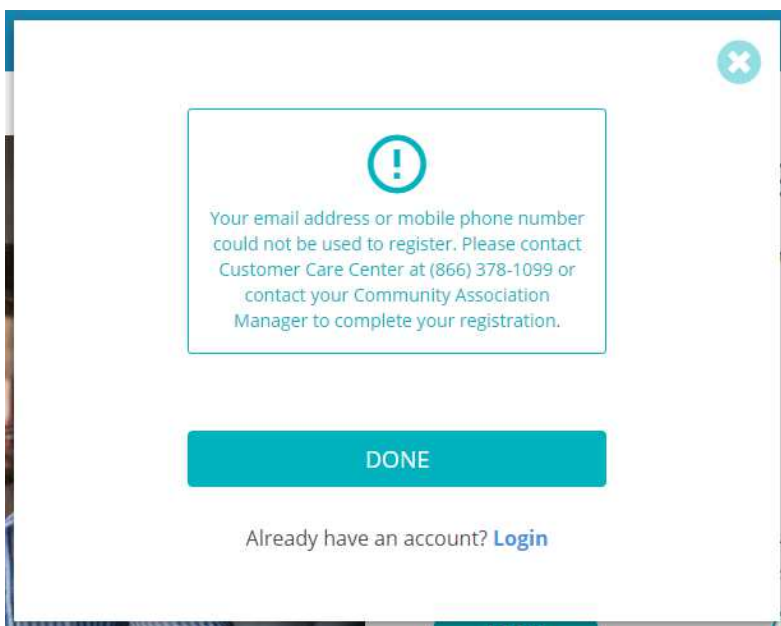

YOUR EMAIL ADDRESS OR PHONE NUMBER IS ALREADY REGISTERED

The email address and/or phone number was already used for registration and is in our system. You will be prompted to click on the link to navigate to the log in page.

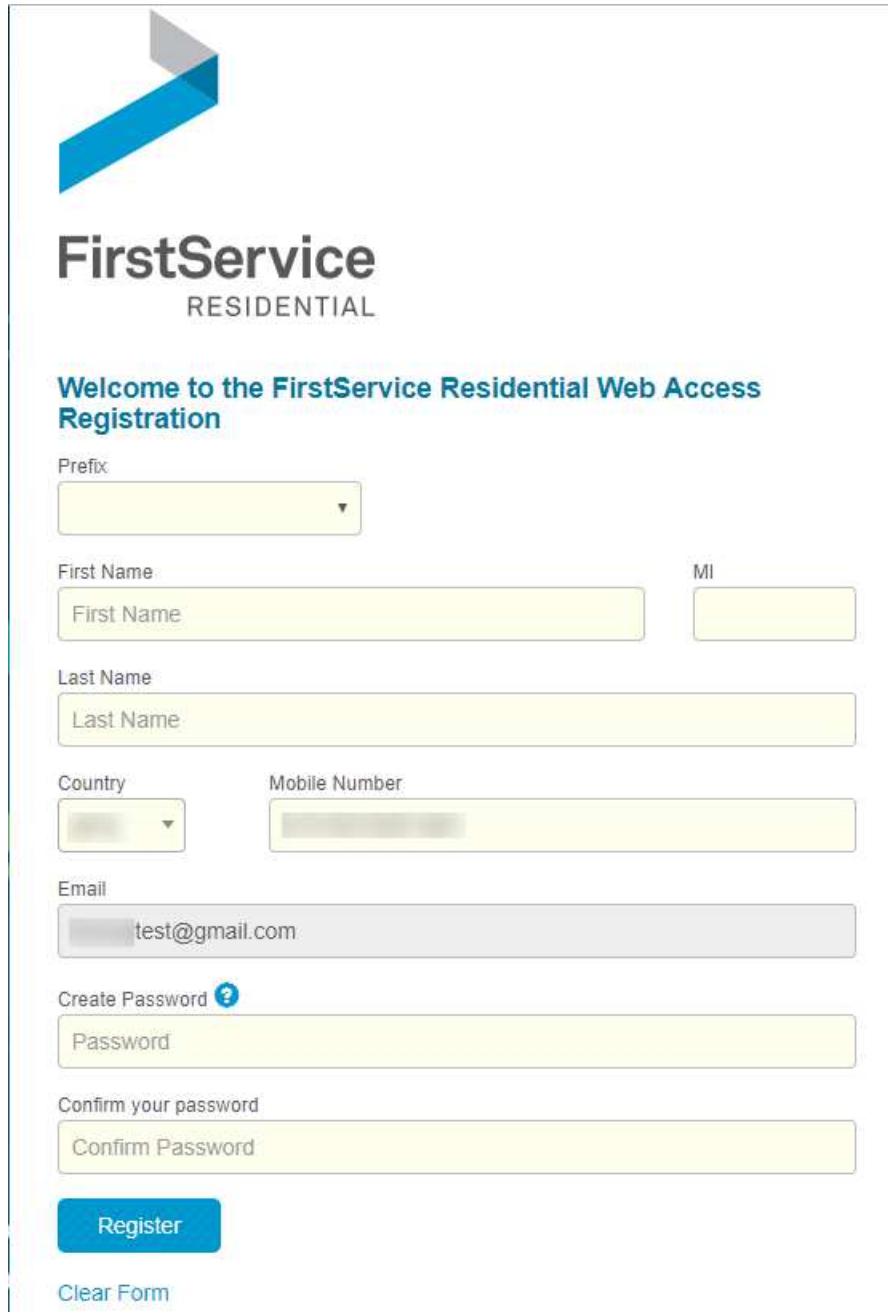

YOUR EMAIL ADDRESS OR PHONE NUMBER IS NOT FOUND

Unfortunately, your email address or phone number could not be found in our system. If this is not correct, you will be prompted to contact customer care. The number will be displayed on the screen.

COMPLETE REGISTRATION FORM

Now that we have validated the information provided, fill out the registration form to complete the registration process.

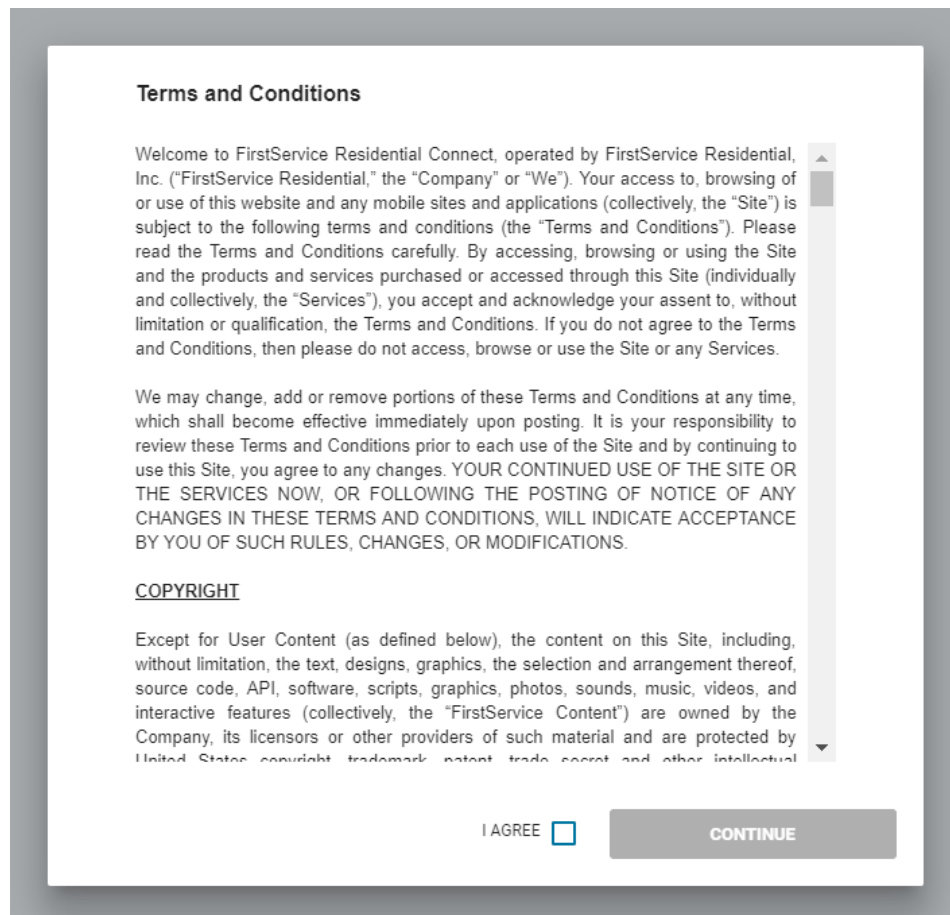

The screenshot shows the registration form for FirstService Residential. It includes the following fields and elements:

- Prefix:** A dropdown menu.
- First Name:** A text input field with the placeholder "First Name".
