*Unit 35 Holiday Dr Lots 76-79, Carefree Dr Lots 67-78/80-85, Tranquil Dr Lots 86-91
Hideaway Ln 59-66*

Organization Information:

The Villas Landscape Committee (VLC) is responsible for overseeing the health and well-being of all the landscaping within the boundaries of the Villas including trees, all plantings, irrigation, etc. All irrigation and plantings in the ground surrounding your Villa units is the responsibility of the Villas HOA, the Board of Directors and the VLC.

There are 7 Landscape Liaison Teams, each with a Team Captain and Co-Captain (when possible). Each team has been assigned a section of the Villas containing 20-33 Villa units. In addition, there are 2 sub-committees, one for our Urban Forest (our trees) chaired by Clayton Thomas. One for all irrigation chaired by Richard Webber.

When communicating with each of the teams please use the following emails depending on the issue:

irrigation@sbvillas2.com
urbanforest@sbvillas2.com

Rock issues should be directed to the Landscape Committee at landscape@sbvillas2.com
